REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Canterbury:

I herewith respectfully submit my third annual report as superintendent of Canterbury schools.

Statistics

	1934-35	1935-36

As the above table shows there were 19 more pupils registered in the Canterbury schools during the last school year than during the previous year, although the average membership last year shows an increase of but 8 over the year previous.

Perfect Attendance

Eleven pupils had perfect records in attendance for the school year ending June 30, 1936, and in recognition of their faithfulness their names are placed on this Roll of Honor.

Teachers

Miss Helen Ericson, who taught last year at the Kezer school, completed her services in June. She was succeeded in September by Miss Constance Dunlap of Concord, a graduate of the three year Elementary Course at Keene. Mr. Ervin A. Cogswell, who for many years had been a teacher in Canterbury schools, and for the last few years at the Upland school, also completed his services in June. This vacancy was filled by the appointment of Miss Helen Szalajeska of Laconia. Miss Szalajeska is also a graduate of the three year Elementary Course at Keene.

The following table shows the teacher assignment, salaries, and present enrollment in each school:

Teacher	School	Salary	Enrollment
Helen L. McCarthy	Blanchard	$810	23
Catherine Curran	Carter	810	24
Elizabeth F. Houser	Center	810	25
Constance Dunlap	Kezer	800	15
Helen Szalajeska	Uplands	800	11

The total enrollment at this time is 98. One year ago it was 85.

Graduation

On Monday evening, June 15, 1936, joint closing exercises were held, representatives from each of the five schools

participating in the program. Certificates of graduation were presented to those pupils completing the work of the eighth grade. The class roll was as follows:

Arthur J. Hugron
Robert V. Lee
E. June Maxson

Kezer—

H. Comfort Roach

Olive M. Rheaume

Center—
Phyllis L. Miller

Six from this group entered high school in September, five going to Penacook, and one to Concord.

Improvements

In my report a year ago I recommended certain alterations and much needed improvements in the Carter school building. It is a pleasure to report at this time the changes that were made during the summer vacation. The school-room was enlarged by the removal of the entrance and lighting conditions much improved by the installation of additional windows. All windows were equipped with new shades of the type best adapted to school-room use.

An addition was made to the main building large enough for a good entrance, ample room for toilets, and a commodious wood shed. Kaustine Sceptic Toilets were installed. This type of toilet is a decided improvement over the chemical, and the cost of maintenance is less.

The whole job was well done and Canterbury has reason to be proud of this improvement. The total outlay was approximately $850.00. This school-room needs a jacketed stove to give a more even distribution of heat. All our other school-rooms have the same need. I am recommending that at least one of the buildings be properly equipped in this particular before another winter.

Finances

The financial report of the School Board covers the full fiscal year which ended June 30, 1936.

The revenue for this current fiscal year, the year which began July 1, 1936, will amount to approximately $9,500.00, which includes $1,967.23 received as State Aid. The total expenditure this current year will be approximately $8,500.00. In this amount is included the outlay for the alterations at the Carter School. The School Board anticipates a balance of $1,000.00 in the treasury at the close of the school year in June. The following table shows the budget as voted at the annual meeting last March for this current school year, and the suggested budget for the next school year:

	1936-37	1937-38
